Letter No. B. 112/47-48 dated 8th Dec. 1953 from the Director of Industries forwarding the representation of Sri K. S. Nanjundaiah for the sanction of weightage and fixing up his initial pay in the revised grade.

3) In March 1952, the Director of Industries recommended for the revision of the grade pay of the temporary staff of the Industrial Schools at Channapatna, Nelamangala, Chickballapur and Chitaldurg W. E. F. 1st January 1947 where in the post of the Second Division Clerk held by Sri K. S. Nanjundaiah had also been included. The recommendation was turned down on the ground that it was considered not advisable to take up the question of the revision of Scales of pay of the temporary employees in question till the definite policy is laid down regarding the

Representation of Sri K. S. Nanjundaiah

Continuance of the Indl. Schools and the period for which they are Continued.

In this Connection it may be stated that no definite policy has yet been laid down regg. the Continuance or otherwise of these Schools and they are being Continued temporarily from time to time as a report is still due from the Director of Edn. It is stated that they are being Continued temporarily for the past 1½ decades which is a pretty long period.

4) It is for consideration when the question of continuance or otherwise of the Industrial Schools Cannot be taken up now as a report is still due from Dir of Edn and a definite policy decided. It is also stated by the Director of Edn that much difficulty is being felt in transferring the officials from on Industrial School to another on account of temporary nature of their posts, in regd to pay

Representation of Sri K. S. Nanjundaiah

7) With regard to Sri K. S. Nanjundaiah he had put in 12 years of Service in the Police Department prior to his assignment in Ord Dept. in 1946. He has thus put in over the whole 19 long years of Service. He has been deprived of the weightage for no fault of his when such a benefit is given to almost all the officials of Mysore Govt. When the revision of scales of pay took place in 1947

8) It is for consideration in consultation of F.D

Note
28.12.53

7) It is seen that Sri Nanjundiah has put in only 20 years of Service. He seems to have worked in the Police Dept., prior to his appointment in the Ord. Dept. It is not known whether he was a permanent official of the Police Dept and whether his entertainment in the Ord. Dept was on transfer. The position has to be clarified from the Director. The S.R. of the official will also be called for.

8) His subsequent appointment

in the C.D.N. whether a permanent vacancy or not, has also to be made clear by the Director. If he is a permanent clerk, why the Director shifted his lien to a temporary establishment and why his name was not proposed in the allocation statement of permanent officials, when these also may now revised, have also to be explained by the Director.

9) After orders are passed on the present proposal of the Director, the file has be resubmitted for orders re. para 2 of the notes

24/1/53. 10) It will be some time before a decision is taken regarding the future of these industrial Schools. They are mainly training institutions, and some of them at least have been serving a useful purpose. In all probability most of them will be continued. The Dir. of Ind. has been asked to send a detailed report after enquiri

the working of these Schools, and the matter is to be considered further on the receipt of that report. Meanwhile, the Schools are being continued temporarily.

11) It will really be hard if, for this reason, the officials of these Schools are to be denied the benefit of revision of pay which was sanctioned generally to all other staff in the State Service with effect from 1-1-47, on account of the increased cost of living. It is reported by the Dir. of IDC that these officials have been stagnating on the same pay for years together.

12) It is therefore for consideration whether the proposals made by the Dir. of IDC in his letter d. 25-3-52 may be re-considered, and the revision sanctioned from 1-1-47, arrear claims on account of such revision not being allowed for periods prior to 1-4-1952

13) The question of making the staff permanent or abolishing them may be deferred until a decision is taken re: the future of these roads.

14) The points raised in paras 7 to 8 in respect of Sri K.S. Ranjumdiah will be got clarified after orders are passed on the general question of regularisation of some of the staff.

22) It is not possible to say how long it will take to lay down a definite policy in regard to the continuance or otherwise of these industrial schools. In any case it cannot reasonably be expected that an official who has put in nearly 20 years service will be thrown out due to any curtailment in the number of these institutions. There is considerable force in the Director's argument that when the pay of the Cottage Industries Establishment – which is temporary has been revised, it is only fair that the benefit of revision should be extended to the temporary staff of industrial schools who are being continued year after year for indefinite periods extending in some cases to over 1½ decades. It seems only fair that the benefit of service weightage should be extended to this official.

Sir,

SUBJECT::REPRESENTATION FROM SRI K.S.NANJUNDIAH, SECOND DEVISION CLERK,OFFICE OF THE SUPERINTENDENT OF INDUSTRIES,RURAL INDUSTRIALISATION SCHEME,KOLAR DISTRICT,KOLAR,REGARDING FIXING UP HIS PAY IN THE REVISED GRADE.

I forward herewith a representation dated 10th August 1953 addressed to you by Sri K.S.Nanjundiah, Second Division Clerk, Office of the Superintendent of Industries, Rural Industrialisation Scheme, Kolar District, Kolar, received through the Special Officer, Rural Industrialisation Scheme, Bangalore, regarding sanction of weightage to him and fixing up his initial pay in the revised grade.

The name of Sri K.S.Nanjundiah had been assigned to this unit under "A" list of the Public Service Commission for Class II appointments of Clerks and Accountants. He was appointed as Ledger Clerk of the Government Central Industrial Workshop, Bangalore, on Rs.35/- p.m. with effect from 1st June 1946 as the establishment of the Central Industrial Workshop was still under this unit at that time. He worked as Ledger Clerk till February 1947 when he was transferred to the Government Industrial School, Chickballapur, as clerk on Rs.40/- p.m. By the time he was appointed in this Department as Ledger Clerk he had already put in a service of about twelve years in the Police Department. He has therefore requested that he may be granted the weightage in the Revised Grade of Rs.40-2-50-3-80 taking into account his past service in the Police Department also.

Sri K.S.Nanjundiah's name had been included in the original allocation statement of this Department sent to Government for sanction under clerk for the Industrial School, Chickballapur. As the Industrial School,Chickballapur and the staff attached to it are temporary, the Accountant General, while scrutinising the allocation statement,deleted the temporary establishment on the ground that the revision of scales of pay was admissible to only permanent employees of Government.

A reference was made to Government in this office letter of even number dated 14/25-3-1952, recommending for the revision of the grade pay of the temporary staff of the Industrial Schools at Chickballapur, Nelamangala, Channapatna and Chitaldrug, with effect from 1st January 1947 wherein the post of second division clerk held by Sri Nanjundiah had also been included. But,Government did not sanction the recommendation of this office considering it not admisible to take up the question of the revision of the scales of pay of the temporary employees in question till a definite policy is laid down regarding the continuance of the above Industrial Schools and the period for which they are to be continued - Vide your letter No.I.954/Ind.30-52-2 dated 27th June 1952.

In this connection, I wish to bring to the kind notice of Government that the incumbents holding the temporary posts detailed in this office letter of even number dated 14/25-3-1952 are stagnating for years together either on the fixed pay of the posts in which they were originally employed or on the maximum of the original grades wherever the appointments carrying graded pay. The duties that these temporary employees are discharging are similar to those discharged by their colleagues on the permanent establishment in the same institutions in which they are employed. Further some of these temporary employees are bing continued on temporary basis for over a one and a half decades without getting either the benefit of confirmation on account of the temporary nature of the posts held by them or revision in the scales of pay in spite of the abnormal increase in the cost of living. When the pay of the temporary establishment of the Cottage Industries Section under the Three Year Plan which was put into operation from 1st July 1948, it is needless to stress the necessity for the extension of the benefits of the revised scales of pay to the temporary staff attached to the Industrial Schools for longer periods, who are working for a long time on the same pay on which they were started and are striving very hard even for their normal living in these hard days. Added to it great difficulty is being felt for transferring these temporary officials to the other Industrial Schools and vice versa on account of the temporary nature of the posts and the unequal grades.

In the above circumstances, I request that orders of Government on the appeal petition of Sri K.S.Nanjundiah may kindly be obtained early and intimated.

Yours faithfully,

(V. VENKATACHAR)

APPEAL PETITION

To

The Secretary to the Government of Mysore
Development Department, Bangalore

Through proper channel

Sir,

Sub:- My claims for weightage in the revised scales of pay as II Division clerk as per Pay Revision (G.O. No.Fl. 1979-80-S & A 25-47-4 dated 13-9-1947).

I beg to bring the following few lines for your Honours kind notice and favourable orders. I had served in the Police Department for a period of nearly 12 years (i.e. from 1933 to 1946) and was appointed as ledger clerk in this Department as per Public Service Commissioner's rules since my name was enlisted in the unit of the Director of Industries and Commerce and is serving all the while in the present department. Althrough continuity of service is maintained. As per pay revision effected during 1947 (i.e. from 1-1-47) service weightage was granted to all the official as per G.O. No.Fl. 2682-2741/S & A 25-47-20 dated 14-10-1947 for the past continous service put in by the official. In this connection I beg to state that I was not given any such benefit though I had put in a service of more than 12 years of service on 1-1-47 and I do not know whether my name was indluded in the allocation list sent to Government recommending for the weightage. The reasons for the omission is also not known.

On 23-11-50 I made a representation to Government through proper channel and on 11-12-50 I requested my official superiors to interview the Hon'ble Minister of Industries and Commerce so that I may explain my grievances personally for getting immediate redress. So far I have not received any endorsement in this behalf from my official superiors. Further, I beg to state that I may be the only solitary instance and unfortunate enough to enjoy the pay revision benefit when it was extended to the entire Government officials of Mysore State. Any least benefit (i.e. financial) in these hard days will be a great r

ef to the poor subordinate's family. I may expect a total

total sum of Rs.400/- atleast being my arrears of pay and incremental pay from 1-1-47, upto date which would be certainly of immense help in these hard hit days. My case may kindly be viewed favourable and the allotation may be ordered to be given effect to at an early date. I may kindly be excused for having made this long and plain representation to your honour and also to be excused for having approached you which is the only means left open to put my grienvances before your honour.

Sir,

Sub:- My claims for weightage in the Revised Scales of 2nd Division, on clerks sanctioned by Government from 1-1-1947.

In continuation of my several representations on the above, I beg again to submit this application with the facts relating to my service as detailed below and pray for issue of favourable orders. I am a permanent hand in the Police Department (Daffedar No.65 of Kolar District) Where I have put in 13 years of service as on 30-5-46 . I was appointed through C.R.B. as 2nd Division clerk and posted to the Department of Industries and Commerce and joined duty on 1-6-1946 having been relieved in the Police Department on the after-noon of 31-5-46 as per orders of the Inspector General of Police in his letter No.G.C.1077/45-46 dated 25-5-46.

As per G.O. No.Fl.1979-80/S & A 21-47-4 dated 13-9-47 the pay of the Non-gazetted subordinates was revised and several benifits (weightages) was also granted as per G.O. No.Fl.2010-70 S & A 25-4-6 dated 21-9-47 (2) G.O. Fl.2108-70/ S & A 25-47-7 dated 23-9-47 and (3) G.O. Fl.268-2741 S & A 25-47-20 dated 14-10-47. Unfortunately due to my ill-luck I was not given the benifit of the allocation as per above Government Order. In this connection I have submitted a number of respresentations through my superiors and also in person. But to my last representation in the year 1952. I was given an endorsement by the Director of Industries and Commerce to the effect that the matter is receiving attention (The copy of the endorsement is herein enclosed for kind perusal). Till now my claims have not yet been settled and I have not received my weightage from 1-1-47 and also increments. Only after comming

to the Rural Industrialisation Scheme I have been granted an increment of Rs.2/- in grade 40-2-50-E.B. 3-30 from 12-3-1952 by the then Special Officer.

In this connection I beg to state that I have put in nearl 14 years of continuous service on 1-1-47 as such my pay should have been fixed at Rs.40/- plus 3 increments i.e. Rs.46/- P.M. and I have been granted 3 more increments from 1-1-47 to 1-1-51 and my arrears of pay from 1-1-47 up-to-date comes up to early Rs.400/- which would be immediate help to a poor family in these hard ayar days.

Under the above circumstances I once again request that if this Department is not going to take immediate steps for the benifits of the poor official in getting the allocation fixed as on 1-1-47 and to sanction the arrears of increments. I request that I may kindly be permitted to approach the Goverment in the matter. If this is not possible, I request that I may be sent back to my original Department (i.e. as Police Daffadar in Kolar District) with a recommendation to the Inspector General of Police in Mysore Bangalore where I can get some better prospects.

A favourable reply is solicited.

Yours faithfully

Subject:- Revised scales of pay and weightage sanctioned to the employees of various Departments during 1947.

I beg to bring the following few lines for your kind consideration and early favourable orders. I have started my service in the police department in 1933 and changed myself to this present department in June 1946 as per C.R.B.Recruitment rules then existed. There is continuity of service maintained all through. As per recent revision of pay to government employees my pay in the present grade will have to be fixed on Rs 46/- in grade 40-2-50-EB 3-80, ie three advance increements on 1-1-47 and Rs 48/-on 1-1-48 and Rs 50/-on 1-1-49. Such being the case I am drawing only Rs 40/- being the basic pay of a second Division Clerk. I ~~have~~ have submitted several representations in this connection through my official superiors for which no endorsement has been issued to me so far. Here I may be permitted to state that the benifit of the revision of scales of pay has been extended to one and all of which I am the only unfortunate person who has not been given. For purposes of weightage that could accrue on 1/1/47 is interpreted and clarified by government orders that even acting, temporary service if, under government and cotinuous will be taken for calculation. Under the above circumstances the pay admissable may kindly caused to be sanctioned and the arrears due from 1-1-47 may be ordered to be drawn and disbursed at an early date, for which I shall be highly grateful to you Sir,.

If this Department is not going to take immediate steps for the benefit of the poor official in getting the allocation fixed as on 1-1- 7, I request that I may kindly be permitted to approach the government in the matter. If that is also not possible, I request that I may be sent back to my original Department(ie. Police Daffedar in kolar District) with a recommendation to the Inspector General of Police, in Mysore, Bangalore as my future prospects are stagnated.

Yours Obediently.

Sir,

Subject; My claims for service weighate in the revised scales of pay on 2nd Division Clerk.

I beg to bring the following few lines to your kind onsideration and favourable orders.

I joined the police Department in the year 1933 and served till the end of 31-5-46 on which date I was appointed through the C.P.S. as class II clerks and posted to the Department of Industries and Commerce and joined duty on 1-6-46 having been relieved in the police Department on the afternoon of 31-5-46. Hither to I am serving in the same Department.(ie. Department of Industries Commerce)

As per G.O. No. I.I 79-80/ A 25-47-4 dated 13-9-47 the pay of the non-gazetted subordinates was revised and service benifits (weightage) was also granted as per (a) G.O.No. I.C(C)-70 A 25-4-6 dated 1-7-47. b) [illegible] dated 27-9-47 and c) G.O.No. I. C-2/41 CA 25-7-10 Dated 11-10-47. Unfotunately I was given to understand that mine My name was not included in the allocation list of the Department and as such I have not hither to been granted either service weightage or increments that would accrue from 1-1-47 to 1-1-51. I have drawn at Rs.40/- P.M. from 1-9-47 for some time and at Rs.50/- for the rest of the period .i.e. till the end of 4-3-51, on which date I was transferred to this place. As such I have been put in to much hard-ship in these hard days and my legitimate claims have not been hitherto settled. Here I may be permitted to mention that I may be the only solitary instance in which the benifits of the recent pay revision was not extended.

In this connection I beg to state that I have put in nearly 11 years of Continuous service in 1-1-47, as such my pay should have been fixed at Rs.40/- plus 3 increments i.e. Rs.46/- and I have been granted 4 more increments from 1-1-47 to 1-1-51- thereby my pay on 1-1-50 should have been Rs.53/- P.M.. My arrears of pay from 1-1-47 up to date comes up to Rs400/- which would be of immence help to a poor family in hard days. In this connection I have submitted several repres-

Sir,

In continuation of my several applications on which I have not received any endorsement or orders. I beg ~~k~~ again to submit this application in person with the facts relating to my service as detailed below and pray for issue of favourable orders. I am a permanent hand in the Police Department, where I have put in 13 years of Service in permanent Cadre. I was transferred to this Department in 1946 as per the orders of the Public Service Commissioner assigning my name in ~~this~~ unit as 2nd Grade Clerk. I was posted to Central Industrial Workshop as ledger clerk on Rs.35/- by ~~khixxxx~~ your Office. As this was a non-pensionable concern, I was transferred to Industrial School, Chikballapur in February 1947. In the recent scales sanctioned by the Government my claims for weightage due on my service of 15 years has not been considered so far. My lien is retained in a Temporary Establishment, although I am entitled to a permanent lien as per my previous service in the Police Department. On this ground my claim for weightage in the revised scales of pay is with-held. My several applications in this behalf have had no effect so far. I was relieved from the Police Department as per orders of the Inspector General of Police. If this Department considers that my claim for weightage is invalid, I pray respectfully to forward my application with my Service Register to the Government and also to the Public Service Commissioner for ~~x~~ opinion and orders.

Respected Sir,

I K.C.Manjundaiah, Smithy Clerk, beg to bring the following few lines to your kind consideration and favourable orders.

In your order No.B 8/45-46 dated 25-1-1947, I have been ordered to be posted to Chickballapur Government Industrial School, from Government Central Industrial Workshop, Bangalore, as S.P.T. clerk on Rs.30/- in grade 30.2.40 by which it is clear that the tenure of appointment of mine as Second Division Clerk, is changed from acting to S.P.T. from the date of your said order dated 25-1-47 (copy of order enclosed for kind perusal)

In this connection I wish to state that when I was transferred to Chickmagalur Industrial School from Chickballapur in your office order No.D B 9/48-49 dated 11-7-49. I am shown as clerk on Rs.40/- in grade 40-2-50/E.B.3-80, but in the subsequent order No. B66/40-50 dated 31st August 1949 posting me as Smithy Clerk to Central Industrial Workshop, my tenure of appointment has been shown as temporary Clerk on Rs.40/- instead of as S.P.T, where as in the same Memo Sri.B.Marichannaiah, who is a far junior to me has been shown as S.P.T.Clerk. I wonder how the tenure of appointment which was once changed to S.P.T. has been again shown as temporary. Your kind orders changing my tenure of appointment from S.P.T. to Temporary is not even received by me.

In the above circumstances I request that the disamb discrepencies in the tenure of appointment may kindly be varified and regularised treating my tenure of appointment as S.P.T. as already ordered in your order No.B8/45-46 dated 25-1-47.

~~Hoping~~ Further

P.T.O

II. Further it pains me very much to once again remind you of the settlement of my Service weightage increments consequent on the division of scales of pay to non-gazetted officers from 1-1-47. Though it is nearly three years have lapsed the question is not finalised as yet. My repeated representation both orally and written have had no effect so far. In this connection my case has already been strongly recommended to you by the Superintendent, Government Central Industrial Workshop, Bangalore, in his letter No.2560/22-4-49, as it is a fit case to be recommended to Government as a special case. I therefore once again request you to kindly do justice in this behalf considering my long and loyal Service of about nearly 15 years.

Early order are requested on the above two points.

Respected Sir,

I beg to state that I learn that the allocation of Revision of pay of Non-Gazetted Officers in respect of the Departmental staff has been sanctioned only in respect of permanent Industrial School and permanent officials

I am a permanent official with 10 years of Service behind me and was assigned to the Unit of the Director of D.C from the Public Service Commission under Serial No 14 in 1944. I was posted by the Director of D.C as clerk to the School which is temporary. Now I am deprived of the benefits of allocation recently sanctioned to all the officials of the department

As I am a permanent Govt official with 10 years of Service, since I was transferred to the Unit of the Director of D.C which has many permanent Industrials with and I expected that a place would be shown in a permanent institution as in the case of other officials who have come under C.R.B though they have not confirmed to get the benefits of allocation

I request that now or least a permanent place may be shown to me in the departmental Unit and the benefits of allocation granted to me, as otherwise serious hard ship

would be caused hereby in spite of 10 years of Service and inspite of any appointment through the public Service Commissions.

I request the favourable early orders in the matter

I beg to remain Sir

Subject: Application of Sri. K.S.Nanjundiah, Clerk Industrial School, Chikballapur addressed to you and forwarded to this office in your No.B22-48-49 dated 16-4-49.

--

It would appear from his application that his case for a revision of pay has been left out while sending the allocation statement of your Department to Government for sanction. So far as this office is concerned the service of Sri. K.S. Nanjundia was only temporary as will be clear from the following facts. He joined the establishment in this office as ledger clerk on Rs.35/- P.M. on 1-6-46 against an existing vacancy and was relieved under your orders on 31-1-47 to join the Industrial School, Chikballapur. This was on his representation to you that his was a pensionable job in the Police Department and his posting in the Workshop would be detrimental to his interests. It is not understood therefore how this office could deal with the representation in question.

It will be noted from the application that he has put in a service of 13 years in the Police Department previous to his transfer to the Industries and Commerce Department. It would therefore appear, that it is a case fit to be recommended to Government for consideration of relief in the way of increased emoluments with retrospective effect. The amount so sanctioned will have to be debited to your departmental funds as he is holding a permanent place in your Department.

The application in question is returned herewith for favour of further action.

Subject: Application of Sri. K.S.Nanjundiah, Clerk Industrial School, Chikballapur addressed to you and forwarded to this office in your No.B22-48-49 dated 16-4-49.

--

It would appear from his application that his case for a revision of pay has been left out while sending the allocation statement of your Department to Government for sanction. So far as this office is concerned the service of Sri. K.S. Nanjundia was only temporary as will be clear from the following facts. He joined the establishment in this office as ledger clerk on Rs.35/- P.M. on 1-6-46 against an existing vacancy and was relieved under your orders on 31-1-47 to join the Industrial School, Chikballapur. This was on his representation to you that his was a pensionable job in the Police Department and his posting in the Workshop would be detrimental to his interests. It is not understood therefore how this office could deal with the representation in question.

It will be noted from the application that he has put in a service of 13 years in the Police Department previous to his transfer to the Industries and Commerce Department. It would therefore appear, that it is a case fit to be recommended to Government for consideration of relief in the way of increased emoluments with retrospective effect. The amount so sanctioned will have to be debited to your departmental funds as he is holding a permanent place in your Department.

The application in question is returned herewith for favour of further action.

No. 2569 dated 22-4-49.

Sir,

Subject:- Representation from Sri K.S.Nanjundiah, II Division clerk, Office of the Superintendent of Industries, Rural Industrialisation Scheme, Kolar District, Kolar, regarding fixing up his pay in the revised grade.

...

I am directed to enclose a copy of letter No. B.112/47-48 dated 8-12-1953 on the above subject received from the Director of Industries and Commerce in Mysore, for favour of your remarks in the matter.

Yours faithfully,

(K. Sankaran Nayar)

Letter No. B.112/47-48 dated 8th December 1953 from the Director of Industries and Commerce in Mysore, Bangalore, to the Secretary to the Government of Mysore, Development Department, Bangalore.

.....

Subject:- Representation from Sri K.S.Nanjundiah, II ~~Xxxx~~ Division Clerk, office of the Superintendent of Industries, Rural Industrialisation Scheme, Kolar District, Kolar, regarding fixing up his pay in the Revised grade.

.....

I forward herewith a representation dated 10th August 1953 addressed to you by Sri K.S.Nanjundiah, Second Division Clerk, Office of the Superintendent of Industries, Rural Industrialisation Scheme, Kolar District, Kolar received through the Special Officer, Rural Industrialisation Scheme, Bangalore, regarding sanction of weightage to him and fixing up his initial pay in the revised grade.

The name of Sri K.S.Nanjundiah had been assigned to this unit under "A list of the Public Service Commission for Class II appointments of Clerks and Accountants. He was appointed as Ledger Clerk of the Government Central Industrial Workshop, Bangalore, on Rs. 35/- p.m. with effect from 1st June 1946 as the establishment of the Central Industrial Workshop was still under th this unit at that time. He worked as Ledger Clerk till February 1947 when he was transferred to the Government Industrial School, Chickaballapur, as a clerk on Rs. 40/- p.m. By the time he was appointed in this Department as Ledger Clerk he had already put in a service of about twelve years in the Police Department. He has therefore requested that he may be granted the weightage in the Revised Grade of Rs. 40-2-50-3-80 taking into account his past service in the Police Department also.

Sri K.S.Nanjundiah's name had been included in the original allocation statement of this Department sent to Government for sanction, under clerk for the Industrial School, Chickballapur. As the Industrial School, Chickballapur and the staff attached to it are temporary, the Accountant-General, while scrutinising the allocation statement, deleted the temporary establishment on the ground that the revision of scales of pay was admissible to only permanent employees of Government.

A reference was made to Government in this office letter of even number dated 14/25-3-1952, recommending for the revision of the grade pay of the temporary staff of the Industrial Schools at Chickaballapur, Nelamangala, Channapatna and Chitaldrug, with effect from 1st January 1947 wherein the post of Second division el clerk held by Sri Nanjundiah had also been included. But Government did not sanction the recommendation of this office considering it not admissible to take up the question of the revision of the scales of pay of the temporary employees in question till a definite policy is laid down regarding the continuance of the above Industrial Schools and the period for which they are to be continued - vide your letter No. I.954/Ind.30-52-2 dated 27th June 1952.

In this connection, I wish to bring to the kind notice of Government that the incumbents holding the temporary posts detailed in this office letterof even number dated 14/25-3-1952 are stagnating for years together either on the fixed pay of the posts in which they were originally employed or on the maximum of the original grades wherever the appointments carry graded pay. The duties that these temporary employees are discharging are similar to those discharged by their colleagues on the permanent establishment in the same institutions in which they are employed. Further some of these temporary employees are being continued on temrorary basis for over one and a half decades without getting either the benefit of confirmation on account of the temporary nature of the posts held by them or revision in the scales of

pay-2

pay in spite of the abnormal increase in the cost of living. When the pay of the temporary establishment of the Cottage Industries Section under the Three Year Plan which was put into operation from 1st July 1948 has been revised in G.O.No.D.10017-18/I&C 25-49-12 dated 23-3-1950, it is needless to stress the necessity for the extension of the benefits of the revised scales of pay to the temporary staff attached to the Industrial Schools for longer periods, who are working for a long time on the same pay on which they were started and are striving very hard even for their normal living in these hard days. Added to it great difficulty is being felt for transferring these temporary officials to the other Industrial Schools and vice versa on account of the temporary nature of the posts and the unequal grades.

In the above circumstances, I request that orders of Government on the appeal petition of Sri K.S.Nanjundiah may kindly be obtained early and intimated.
